# JOE WARD

# EDUCATION

Joe Ward was born in San Jose, but grew up in Santa Clara when it was still mainly orchards and country roads. He attended all Santa Clara schools and was in the first Wilcox graduating class in 1964. While at Wilcox, Mr. Ward played on the football and baseball teams. He even hit the first homerun out of Wilcox's baseball field!

After attending San Jose State University, he graduated in history, English and economics. Currently he is getting his master's degree in Library Science. While at SJSU, he played on the baseball team and was in the marching band.

Mr. Ward joined the staff at Wilcox in September of 1969. He taught English, history, and behavioral science before becoming the Librarian in September of 1977. He is working to improve the book collection and to develop the film and video tape program. He is also setting up a computer system to be used by the students and by the library.

Some of Mr. Ward's hobbies are racquetball, golf and making 16mm films. He also enjoys spending his spare time with his wife, Pam, and foster son, Bobby.

At his ten year reunion, Mr. Ward was asked his aspirations in life. He said, "to grow spiritually, to constantly improve my teaching, to have children, and to continue to deepen my relationship with my wife."

Thank you, Mr. Ward, for dedicating your time to us!

The image shows a page of musical notation, likely a handwritten score. The notation is arranged in a single system with multiple staves. The music is written in a style that appears to be a transcription of a vocal or instrumental melody. The notation includes various musical symbols such as notes, rests, and bar lines. The overall appearance is that of a handwritten musical score.

The most valuable and most improved players of all teams were acknowledged and presented trophies. Congratulations to all!

Make the most of all you still have coming to you, or  
Lay down on the ground and let the tears run from you  
Crying to the grass and trees and heaven finally on your

Let me live again, let life come find me wanting  
Spring must strike again against the shield of winter  
Let me feel once more the arms of love surround me

This year's Sadie Hawkins was held on March 23rd from 8:00 p.m. to 11:00 p.m. The couples danced to the music by "White Satin" and were married by the marrin' Sam, who was in reality, Mr. Hatling. Pictures were taken, and fun was had by all. The Sophomore class was in charge and did a good job. There was a lot of hay and a lot of smiles. Everyone seemed to have a good time.

The big winners Halbleib, Pratten, and Petty

This year's annual Pancake Breakfast was held on March 18th. Every year the "Dads and Grads" sponsor this reunion breakfast to raise money for various activities within the school. Their goal was to raise \$2000, and they made that and more. This year's money will go towards the fee for the athletes to participate in sports.

Many thanks to the Student Council and others for helping at the breakfast (including the teachers), and also to all businesses who donated prizes or money. Congratulations to Ted Pratten for selling the most tickets and Dan Petty and Jim Halbleib for coming in a close second and third.

Dunasky made happy faces and "W"s

# GREASE IS THE WORD . . .

This year's 50's Rally was a great success. To add something a little different Rally Council honored the Wrestling and Soccer teams. The players were escorted to their seats while Rally Council did "The Stroll". Coach Hatling and Coach Perry both put in a good word for their teams.

The Frosh/Soph Varsity Cheerleaders and Lettergirls all did victory cheers for the teams. The songgirls danced to "Jump Shout Boogie". But the hit of the rally was the Special Guest appearance by Wilcox's own Na Na Sha. They twisted, jammed and sang to "Rock and Roll is here to stay!" Special Thanks to Na Na Sha: Jody Lansford, Bill Cress, Rick Gibbs, Barth Nelson, Mike Wells, Ted Pratten, Eddie Arslano, Chuck Payton, Paul Wasiewlewski, and Todd Sodaro.

## DRAMA CLASS

The Drama Class is proud to present its first production of the school year, "You Can't Take It With You". The drama students, who meet during the sixth period of the day, have spent many hours both during class and after school in preparation for this performance. The play was a big success. Friday Night was standing room only. Congratulations to the performers. Hope your next play is as good. The man responsible for putting all of this together is Mr. Smallwood. Many Thanks!!

## In Memoriam

When words fail, only facts remain.

Ed Hohman died on April 1 in a tragic accident at his home. Ed was an A student and won many awards and honors. He won the Bank of America award for Science and Mathematics. He was

voted most likely to succeed. He belonged to the Library Club and was president of both the German Club and C.S.F. He was involved in many activities, and will be greatly missed. Let us hope Ed has found the excellence he sought, and remember him with love.

The people involved in administration work very hard. They deal with all the problems of the school and are trying to make Wilcox number one. Any type of activity must be approved by them. In the ordinary, every day routine, they are constantly busy. The different adminis-

trators have different jobs, ranging from organizing dances and assemblies to handling the student in trouble or the student who is making the trouble. We owe a lot to these people. They really help more than anyone because they have to keep everyone happy.

The English Department is made up of twelve members who teach courses in the fundamentals of English at the 9th and 10th grade levels and a variety of electives at the 11th and 12th grade levels.

One of our most important tasks this year has been to prepare our students to pass the competency tests in reading and writing. We have also worked hard over the last two years to improve our curriculum in writing, literature, and the use of the library. In the future we hope to provide some remedial courses in the junior year and to initiate discussions with teachers in the intermediate school to improve the total program.

The major goals of our department this year, and throughout our history, have been to train students for employment and to increase their knowledge and interest regarding the business world.

Skills such as typing, shorthand, bookkeeping, and office machines are of primary concern, with classes provided in simulated office to learn how to get along with others in an office situation.

Attitudes and work habits are encouraged in all business classes. We have tried to provide something for the non-business student as well as the business bound student.

These classes offer training for meaningful employment. The teachers are effective in striving to develop strong skills so that students will feel good about themselves and feel confident to go out into the business world and/or continue schooling and be successful.

## YEARBOOK STAFF

In order to be accepted on the yearbook staff, students try out by completing an application form, a double page layout, and copy. They are also interviewed by myself and the staff. The top achievers are selected and sent an acceptance letter.

The yearbook class is an English elective. Students learn to do layouts, type copy, take pictures and develop them. Everyone is required to sell advertising to supplement our budget. Because deadlines are so vital, responsibility is necessary on the part of each person.

This year the staff sold candy for our end-of-the-

year trip, went to Monterey for our yearbook picture, and had our annual dinner at Mrs. Garner's.

Hopefully, throughout the year, we have all learned from each other. Our mutual pride in and dedication to this yearbook project has deepened our feelings for Wilcox High.

I'd like to personally congratulate each member on my staff for an exceptional job. Thanks for all your work and fun personalities.

# FRENCH CLUB

The French Club has long been a popular club, and this year is no exception. This club strives to inspire interest in the French culture and increase awareness of French things in our country and community. The French Club is also a social club. They eat at French restaurants, see French movies, observe French art and architecture and perform community services. They raise money by working in the snack bar at brunch, having car washes and selling candy canes during Christmas

# GERMAN CLUB

To join the German Club a student must have had at least one year of German or be interested in the German language or culture. The club's highlight of the year is their annual trip to San Francisco. They have other activities throughout the year such as bowling, movies and horseback riding. The German Club's annual money raiser is the gummi bear sale, a real hit with the student body. They have car washes too, but they always seem to get rained on

The girls that join G.A.A. are the ones who are interested in the Interscholastic Sports Program and who go out for the after school sports teams. The sports that they compete in are swimming, volleyball, tennis, basketball, softball, and track. They compete against Palo Alto, Cubberly, Gunn, Los Altos, Awalt, Mountain View, St. Francis, Mitty, Peterson, Buchser, and Santa Clara High Schools. They travel to these schools to compete and win!

The girls play at the games and earn blocks. The staff is having the girls and the guys (Letterman's Club) wear sweaters to put the blocks on. This is the first year that they are combining the girls and the guys at the Sports Awards Banquets.

They are also introducing the staff and the community to an Open House for our new gym. They raise funds for uniforms by selling candy around Easter time.

## WAR CHANTS STAFF

Advisor Mrs. Werfel Editor Susan Aboussleman

The main job of the journalism class is to put out the school newspaper, **War Chants**. The job is not all work, however. The class has several opportunities throughout the year to participate in activities for high school journalism students. There are press conferences for

students, sponsored by businesses in the area featuring interviews with business leaders, and once or twice a year with important government officials. Each year the University of San Francisco sponsors a high school journalism day which offers workshops and lunch to students in the

area. Also Marriott's Great America has a journalism day when students are invited to attend a brief workshop and then enjoy a day at Great America. This year two students attended a workshop and news conference at the Winchester Mystery House

The Rally Council of Wilcox High consists of Songgirls, Lettergirls, Varsity and Soph-Frosh Cheerleaders and members of rally from each class. Being a member of rally council is an honor to some people, and many girls (or boys) try out for each position. Each group has different responsibilities, yet they all do a pretty good job in what they do. Part of their job is to help student council put on the sports banquets, and they also put on rallies to encourage student attendance at different sports games, besides attending as many as possible themselves. They put lots of time into their jobs, including attending spirit camp in the summer and also other clinics to prepare for the coming school year. Thanks!

You may look at this team's win-loss record and conclude this was not a very good year for us, but on the contrary, working with the individuals composing the Frosh-Soph team was very enjoyable. Every member of this team exhibited a quality that is most admirable - determination! When it would have been easy to "throw in the towel", these people played and practiced that much harder. I hope they keep this quality in every endeavor. It was a pleasure to be associated with these gentlemen. Those people who did a particularly good job were Brian Sherrell (MVP & ALL LEAGUE), Danny Vallotton (ALL LEAGUE), Tom Tanquary, Mike Asevedo, Frank Payton And Chris DeSilva.

Our varsity basketball team had one thing in common this year—we all loved to play basketball, and we played with a feeling of team pride.

We were fortunate to have the leadership of senior captain, Tim Makela, who set the example of hard work and unselfishness.

Our highlights were beating Buchser twice, upsetting Awalt and taking a consolation trophy in our 1st tournament at Gunderson.

It was a pleasure to coach this team.

I don't understand  
This feeling deep inside  
But when your eyes meet mine  
And you say those words  
I know it's something  
I can't hide

You make me want you  
Yet, your love I still haven't won  
But you can't turn back time  
And stop what life has  
Already begun

I wish you could read my mind  
And know how much I care  
Then you could see  
What's really in my heart  
All the love  
I want so much to share

I dedicate this poem to Ken  
"KIWALY" LOVE YOU ALWAYS, ANNETTE

# ONE BIG . . .

I would like to extend my sincerest gratitude and thanks to all the members of this year's PROMETHEAN STAFF: Tim Archer, Brian Argo, Ginger Adkins, Karen Crawford, Linda Drake, Carrie Lillie, Greg Paulson, Mark Rabe, Darleen Schweitzer, Gary Smith, Stacey Stevens, and a special big THANK YOU to Mr. J. Garner, our advisor, for all her help - for without her this book would not be completed or correct. I would also like to thank Western School Portraits for our photography, and J.R. Myers, our American Yearbook representative

A lot of work goes in to designing a yearbook, and everyone should realize the task these people undergo. I will never be able to recall the numbers of times we had to stay after school to work, but that really didn't matter because we were all willing

Our theme this year for the Yearbook was PARTICIPATION, and we all feel that that one word sums up all activities, sports, clubs and anything dealing with WILCOX. It is sad to think that some people don't participate in anything, and even sadder to think that we have to lose those people who do participate so much

We leave this yearbook to all of you, but especially to the SENIORS because this is the last yearbook to remind them of their high school days. They will graduate and move on, but we hope all these activities will be remembered: the people, places, and events of 1978-1979 (THE LAST OF THE 70'S)!!!
